AMENDMENT

20 Dear Sir:

Applicant would like to thank Examiner Duong for his
time and patience in answering Applicant's questions by
25 telephone on May 6, 2004.

It is Applicant's understanding that the amendments
submitted by Applicant in April 5, 2004, were not entered
because the form of the amendments was non-compliant. Upon
30 review of the prosecution file of the present application
Applicant has decided that some of the amendments submitted
in the letter of April 5, 2004 were unnecessary and that
other amendments were inadvertently left out. Accordingly,
Applicant requests that the amendments of the letter of
35 April 5, 2004 be withdrawn and that the following amendments
be entered.
